IN MEMORIAM

**In Memory of
 Dennis James "D.J." Bouchard, Jr.
 8-15-1973 - 2-14-1986**

It has been 20 years, I still love and think about you every day. You were our loving little fighter. Nobody will ever forget that. Mom is with you now and while I miss both of you so very much, I am glad that you are not alone. You led a good life and were an inspiration to everyone that knew you.
 Love, Dad

**Robin Elizabeth Britt
 March 26, 1988 - February 14, 2005**

Our dearest Robin, it's hard to believe it's already been one year. In your short lived 16 years you achieved what many people only hope to achieve in their life and that was how you touched everyone's life you met. The heartbreak and sadness we all felt and shared that day, and will continue to feel everyday that passes. Life hasn't been nor ever will be the same without you. You have and always will be a beautiful angel.

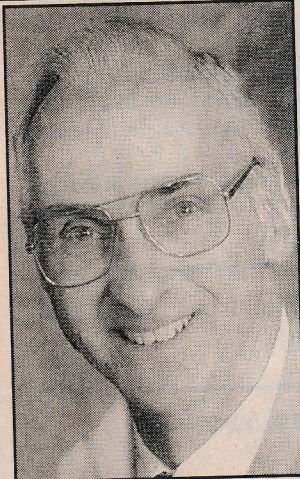

Love Always and Forever
 Mom, Dad, Family and Friends

IN MEMORIAM

**Cornelio J. Carranza
 (El Crow)**

February 27, 1932 - February 14, 2001

The void in our heart remains after 5 years but our long conversations, reminiscing our childhood days, your adventurous life and laughs are memories we shall cherish forever. Rest peacefully brother. Love and miss you.
 Your sis, Carmen

**Joseph R. McDonald
 June 4, 1928 - February 14, 2005**

Our Valentine forever.
 Your Loving Family
