

IN MEMORIAM

Leonard J. Lopez

October 2, 1962 - April 19, 1996

Loving husband, father, son, brother, uncle, Godfather, grandson and friend. 1 Thes 4:13-14.....so we believe that God will bring with Jesus those who have fallen asleep in Him. Lenny, we are assured of seeing you in heaven. We miss your laugh, your smile and cherish the memories we have of you. We love you. You are Forever in our hearts.

Andy Nichols

January 29, 1937 - April 19, 2001

Family and friends think of you every day, as we strive to carry on your legacy of service and advocacy. So many people continue to benefit from your work developing health care programs in rural and border communities and expanding AHCCCS coverage with the Healthy Arizona Initiative. You were skilled at building bridges across borders-from bringing together legislators from Sonora, Mexico and legislators from Arizona to work face-to-face on border policies, to bringing together Democrats and Republicans to pass meaningful legislation on hundreds of issues from solar energy to drunk driving penalties to stopping the execution of the mentally impaired. Your life was a witness to the power of dedication to peace, respect, and social justice. We miss you.
