You have been gone three years. God seems to take the very best, He leaves the rest behind to cherish, pray, love and cry together. Red, you will always live in our hearts and minds. You will continue to be with us always. You are still loved and missed so very much. Love, Your Family and Friends

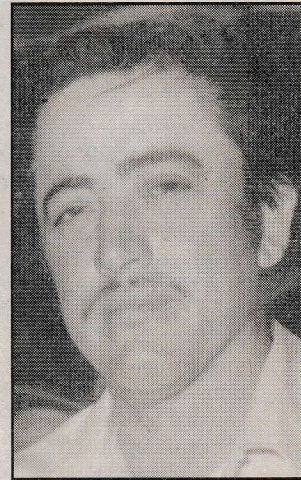

Red,

Three long years that seem like ten, thank you for taking care of me for so long on earth, and now in heaven. I still feel your strength within me. Everything has been wonderful. I now have five grandchildren, Very Blessed

"Whether it was that look, touch or smile. Or words you may have said. We keep them cherished in our hearts, with realization they were lessons from the very start."

It seems like an eternity that you have been gone. We miss you so!

With all our love, your wife, children and grandchildren
