In loving memory of Tommy A. Bettini
March 20, 1933 - November 4, 2006
My Darling Tommy,
It has been one long year since you left us to be with Jesus. You left such an emptiness in my heart. God saw how tired you were so, He said "come with me my son and you'll never hurt again." I can only imagine what you did, when you stood before the splendor of the King. Did you fall to your knees? Did you stand in awe? Did you sing Hallelujah? Did you dance before Him? I can only imagine! I will miss and love you forever. Till we meet again in heaven my love.
Love your wife, Margaret
