

Steven Marc Carrillo

Joined his creator on August 18, 2007. Preceded in death by father, Louis Carrillo. Survived by mother, Gladys Normart Carrillo; brothers, Lou and Jim Carrillo; sister, Cathy Carrillo; Steve's partner, Tracy Bidell and her daughter, Courtney; nephews and nieces, Joseph (Jodi) Carrillo; Anthony Duarte, Nicholas and Madison Carrillo, Annalisa, Alina, several Godchildren along with a large extended family and friends. Steve graduated from NAU with a degree in sociology. He was a kind, gentle person. He had an uncanny ability to recite lines from movies and make us laugh. He gave everyone a gift, even if that gift was only his genuine smile, a look, or his spontaneous laughter. Until We Meet Again, Stevie. xo
