IN MEMORIAM

William S. Cleveland

Dad,  
It's been one year since your death. It has been a hard year for your family. When we think of you, dad, we think of how you inspired us with your optimistic outlook on life, made us laugh with your sense of humor, and how you unselfishly gave your time to not only your children, but to just about anyone who needed your help. You truly were an honorable guy. We are lucky and proud to have had you as our father. You are missed, loved, and will not be forgotten.

From the family of
